

HISTORY OF 7TH WOKING (ST. MARY OF BETHANY) SCOUT GROUP

KEY EVENTS

1925

The 7th Woking B.P. Scouts and Cubs (as the Group was originally called) was formed. The Vicar of St Mary of Bethany Church agreed with Parishioners Miss Beryl Tidd and Mr K J Irwin that they should take on the appointments of Akela and Scoutmaster and start Scouting in the church hall. St Mary of Bethany Church has continued as our Sponsoring Authority to this day.

1926

A 'Rover Crew' was formed for those having reached the maximum age for the Troop

1927

After two years the number of boys on the Group was 35

1937

The Troop, which consisted of 19 Scouts, received a serious set back when a difference of opinion between the leaders of the Troop and the Vicar resulted in the majority of Scouts, with their leaders, breaking away to form the 9th Woking Scout Troop. The Cub Pack carried on under Miss Tidd. The Troop quickly recovered its numbers

1939

World War II broke out and the adults were called to undertake war duties. The Cub Pack continued with four sixes but only a skeleton Troop remained without leaders but under the guidance of senior boys. This was not to last.

1944

The Troop closed due to the lack of leaders. Miss Tidd continued to run a full Cub Pack

1950

Miss Tidd stepped down after 25 years being Akela. The Troop was reformed with 3 boys and had grown to 12 by the end of the year.

1952

A 'Senior Scout' section was formed for the 15 – 18 age range

1959

At the end of the 50's there were over 70 boys in the Group and three sections – Cubs, the Troop and Senior Scouts

1960 – 1970

The pattern of activities appears to change and camping, canoeing, football and swimming became more prominent in the programmes. A number of successes were recorded at District competitions in all sections

1970 – 1972

To reflect the move towards more active scouting and the Association's changes in the uniforms and training programmes, the Group was renamed – 7th Woking (St Mary of Bethany) Scout Group

1972

A tea towel drying over the stove in the Kingsway Church Hall, fondly called the 'Tin Tab' (short for tabernacle) because of its corrugated iron cladding, caused the disastrous fire that left the Group without anywhere to meet. Most of the equipment and the records of the Group were destroyed. However, the Cubs continued to meet at St Mary's Church in York Road and the Troop met at the Goldsworth Road School

1973

A new Group Headquarters was completed at the Westfield Avenue site as it is today for the total cost of £2,600. The Parochial Church Council donated £1,000 and the balance was found from Group funds and much fund-raising!

1975

The official opening was undertaken by Lord Baden-Powell (the Founder's Grandson)

1976

The numbers of Cubs attending the meeting regularly were such that the Cub Pack was split into two – The Otters Pack and the Badgers Pack

1977

The first 7th Woking Scout Group Fete was held for the purpose of raising money and promoting family involvement. This event was held annually until approximately 2003

1978

The first Dads 'n Lads camp was held for the Troop and has continued ever since. Although it is now called Scouts +1 camp!

1979

Air rifle target shooting was commenced at the HQ and became a popular Group activity

1980

The 7th Woking Venture Scout Unit was formed for those young people (male and female) between the ages of 16 and 21. The membership of the Group exceeded 100 for the first time

1981

For the first time, the Troop had in its programme a twice yearly expedition to the hills of the Lake District, Snowdonia or the Brecon Beacons. The Spring and Autumn Expos have been fairly constant items in the scouting calendar ever since.

1984

Scoutabout – a County event for Scouts and Guides attended every three years – the next one is 2011!

1989

The Group commenced bi-monthly Scouts Owns at the 7th HQ in lieu of Church Parades. In order to promote a more realistic income and to modernise its financial systems, the Group introduced subscriptions and did away with 'Subs' paid weekly by those boys attending meetings

1990

The 7th Woking Beaver Scout Colony was formed and immediately attracted a waiting list to join

1991

Leader shortages led to the Otter and Badger Cubs reforming into a single Pack

1994

After various more local pack holidays over the years, the Cubs went on their first adventure experience to Yorkshire. This annual event is still a very popular annual event

1996

The Group had grown to over 130 young people

2000

The Westfield are suffered a great flood in the Autumn which meant that a new floor had to be laid in the 7th HQ

The new millennium arrives and 7th Woking celebrated 75 years young
